names from the capitol that premor O Neal has appointe Manatia of Wetempke, phy inspector of the state convict iment to succeed Dr J T Fou whom the governor has placed large of the tuberculosis hos and pentientiary at Weinten Dr Fowler was induced to take or rowler was induced to take new position owing to the fact he had been largely respond for the ercellon of the tubercu hospital and in order that hia gunervialo: at attain its highest degree o

Dr Austin who succeeds ter as physician inspector of the ler as physician inspector of the riet department is considered neatly qualified for the duties his new office having had set I years experience as convict sielan. The new appointer is a og man and the governor de ted in a statement which he is d concerning the two alpoints that he was sure he would see must useful and energets. of the board

Onder his administration de red the governor in speaking o Austin, I have no doubt that knowne policies nursued by Dr wher will be algorously and if lively followed and that under administration all things thu Il tend to better the hygiene and nitary conditions of the convic mps and the proper humano trest ent of their inmates will be vie ously carried out

in speaking of Dr Fowler the vernor said that the evidence ought out in the recent pro-named that Dr. lowier was in no ay connected with the delinguous as of the convict department

With the appointment of D utiln us physici in inspictor ile monnel of the board of inspectors the has been retained on the next ne Hartwell Douglass having been ppolated as 3 G Oakley a success and Dr Austin as the successo

mown what the pay of the new job s but it is likely that it doesn't Ay as much as that of physician aspector which Dr lowler had

From the matters brought out . aligation it would se r Fowler should be real polated It was shown that his rec ord was clear and that his work bad been satisfactory Just at thi up many will consider that Dr bow reduced to ranks which in all probability isset but at the same time he shoud have been retained in his position.
It is generally known however that Dr Fowler inaugurated plan to establish a tuberculosis has pital for the state at Wetumpka morement that speaks well for him tell and Governor O Neal wanting give this new plan a full and try out might hase

thought that Dr Fowler was worth the state in that capacity than he could be no inspector Dr Fowlers home is in Dothan where he has many friends who have been watching the outcome have been watching the with eagerness to see what the Gov

PRI ALADA VA In View of the newspaper sen-authon caused by the announcement of Dr. I recommon of another war-for tubosculosis. The Journal of the American Medical Association in a recent edictorial reviews the facts

The use of the entures in the treatment of tuberculosis is by no medius a ney idea. In 1892, and 1893, Traiban of Satuant Fako was the first to announce that its was the light to anisomic take the ing creatures must be used in or der to produce and efficient immun-ity against inhopoulosis De Schw ollity in 1894 Penrson and Gilli land in 1905 Wobb and Williams ail used living creatures. If we go to foreign publications it is care go to topeum photentions it is that to multiply instances of the use of living cultures. In 1901 McFad year and van Behiffs, and in 196. Thomassen used living cultures to roduce immunity in cattle

The excitement of the public ov er Friadmana is hard to understand except on the basis of his clover pross agent work Practically ever fact which he has brought forward has been known for years. MRS, McGILL BROKE DOWN

Gives the Real Facts in Regard to lier Case and Tells How She Suffered.

Jouesboro Ark— I suffered a complete break down in health some time ago writes Mrs A MoGill from this place. 'I was very weak and could not do any work I tried different remedies but they did me no good. One day I got a bottle of Cardul It did me a much good I was surreled.

did me so much good. I was surprised, and took some more

Before I took Cardul I had headache and backache and sometimes I ery for hours New I am ever all that, and can do all kinds of housework. I think it is the greatest medicine on earth

earth 'In the past fifty years thousands of lades have written like Mrs McGill to tell of the benefit received from Cardul Such testimony, from earnest women surely indicates the great value of this indic remedy, for diseases peculiar to women Are you a sufferer? Yea'c Cardul is the medicine you need. We urge you to try the past of the cardul is the medicine you need.
